

TECHNICAL SUPPORT

CU ETHICS is supported by the system developers KAJ ISIS Limited.

SUBMITTING A SYSTEM SUPPORT REQUEST/QUERY

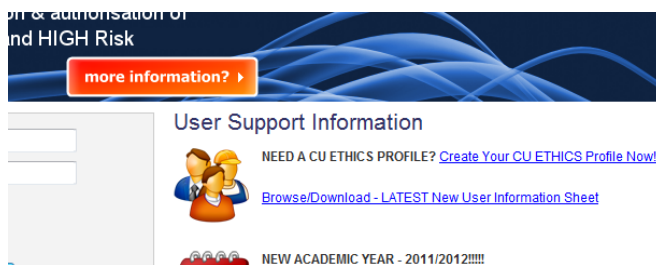

If you have a query or wish to report an issue – please email: technical@kaj-isis.co.uk

The reason we prefer this medium is that the query and/or issue can be logged and tracked. We can also use the email to communicate with you. Our Technical Team monitor this email over a 18 hour working timeframe every day.

SYSTEM SUPPORT AREAS

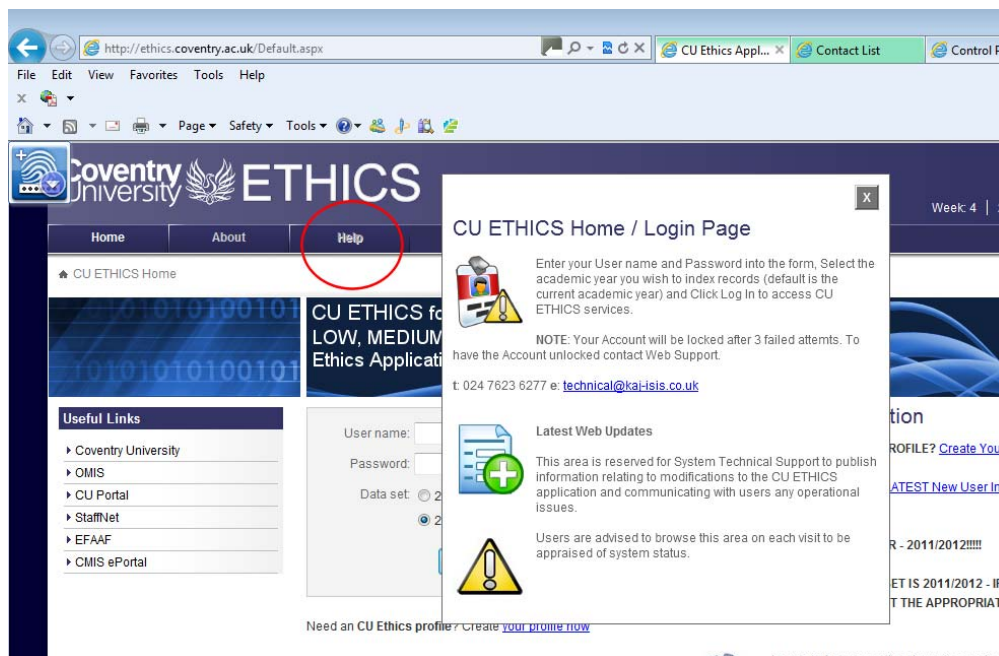

CU ETHICS has several areas where technical support is available to users. These areas include:

Home Page:

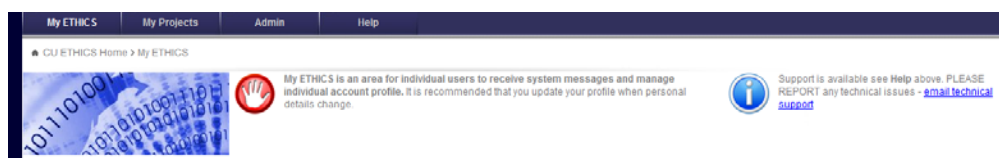

The User Support Information is our way of communicating to the user - system status and updates published.

Navigation Help:

This Help function is available on all pages and is relevant to the page content.

Page Guidance:

This Guidance is available on all pages and is relevant to the page content.
